## American Legion Honors Captain

Upper—C. P. Montroyal, which carried the Legionnaires in war and peace. Lower—Section of Legionnaires photographed at Quebec before sailing for Paris recently. Inset—Captain H. Sibbons, R.N.R.

A signal honor has been conferred on Captain H. Sibbons, R.N.R., commander of the Canadian Pacific Montroyal, by the members of the American Legion who sailed 800 strong on his ship from England recently, after the gathering of the Legionnaires in Paris in September. On their voyage across the Atlantic to Quebec, R. J. Byers, adjutant of the American Legion, department of Michigan, decorated Captain Sibbons with the American Legion official medal of the Second A.E.F. Many of the Legionnaires who journeyed both ways on the "Montroyal" to attend the convention, were carried by this ship to France during the Great War and renewed their friendship with the popular commander. The majority of the Legionnaires on the peacetime journey to France were from the middle west and west of the United States.

In honoring Captain Sibbons with the official medal, Adjutant Byers said:

"Captain Sibbons an historic pilgrimage has been successfully held, and thousands of the best citizens of America, proven to be such in action, and proven again in their sincere desire to continue that good citizenship by promoting world peace through this pilgrimage, now have their faces turned homewards. They are conquerors, conquerors of friendship. You, sir, helped guide the first A.E.F. through danger-infested seas. You, sir, have again helped guide safely the second A.E.F. to a joyous conclusion. It was the comparatively few men of your calibre, men who have spent a lifetime on the great Atlantic, who made possible that first glorious victory of our Allied countries. You, sir, are carrying on in peacetime, just as we are carrying on—the soldiers, sailors and marines—whom you have so safely carried across and back—first to war and then to peace. You are one of us; one of our trusted leaders; one on whom we depended, and who took care of us. Sir, I pin the American Legion Official Medal of the Second American Expeditionary Force on your breast. Only men of proven worth are permitted to have it. In due time, when we shall have completed our journey, a suitable accompanying citation will be forwarded to you. This is the service medal to be worn with your uniform on proper occasions."
